

# Room layout options

The number of layout options will depend on the size of your chosen meeting area and on the number of people who will be attending. In general, the larger the area, the more options that are available. However, small meeting areas can also be very flexible when it comes to seating arrangements.

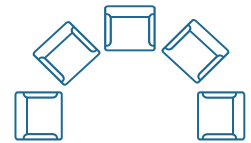

## Theatre

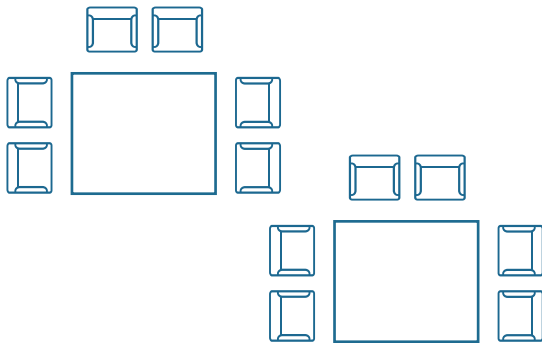

## Circle of chairs

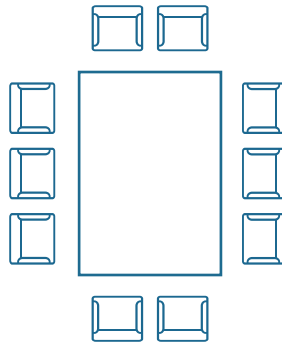

## Horse shoe

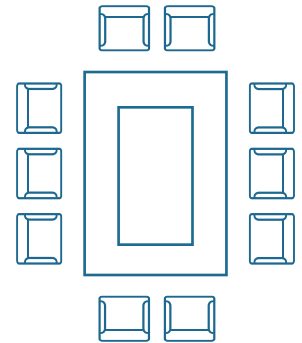

## Cabaret

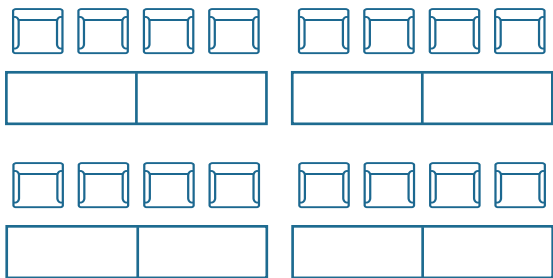

## Boardroom

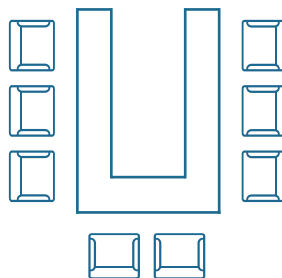

## Hollow square

## Classroom

## U shape

Please note that these are examples.

**We will always do our very best to accommodate your desired layout.**
